**REQUEST TO HOLD A SETTLEMENT CONFERENCE
(47 CFR Sec. 1.243(h))**

Media Action Center and Sue Wilson (“Petitioners”), by their attorney, here request that the chief administrative law judge invite Petitioners and Entercom License, LLC (“Entercom”) to a settlement conference. This request is made pursuant to Section 1.243 of the Commission's Rules and Regulations¹.

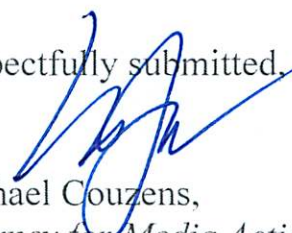

Earlier this week, these parties had communication by telephone and e-mail, and we appeared to be close to the terms of a settlement that would resolve this docketed case in its entirety. The Judge's Order on Wednesday, cancelling the further pre-hearing conference set for the next day, removed the urgency of these talks and so the settlement discussions stalled. We believe that a settlement conference can and should be used to put the discussion back in order.

¹ Section 1.243 Authority of presiding officer. (h) Hold conference for the settlement or simplification of issues by consent of the parties. Compare Federal Rules of Civil Procedure, Rule 16(a): “Purpose of a Pre-trial Conference. In any action, the court may order the attorneys or any unrepresented parties to appear for one or more pretrial conferences for such purposes as: (5) facilitating settlement.”

The scope of settlement will be inherently limited, because Petitioners originated the proceeding through their petition to deny and a settlement must be compliant with Sec. 73.3588 of the Rules. A conference could be held by conference call or, with adequate notice, in person. Counsel would be need to have ready access to principals able to bind their Parties to an agreement.

Wherefore Petitioners request that the chief administrative law judge invite Petitioners and Entercom to a settlement conference.

Respectfully submitted,
